DEPARTMENT REVIEW – PASSED LEGISLATION

BLUE SHEET

Blue Sheets are a department's final bill analysis and provides the Commissioner an opportunity to weigh in on legislation that has passed, with a recommendation to the Governor on action that may be taken– to enact the bill, to veto the bill, or to allow the bill to become Law without signature (LWOS). Much of the information requested in the Blue Sheet can be taken from the department's bill analyses (BA), which were initially submitted at the time the bill was introduced and updated throughout the legislative process.

Blue sheets are due to the GLO three days after the enrolled bill appears on basis, or sooner by request.

Department: DCCED

Date: 5/20/2026

Bill Number: HB 184

Short Title (as it appears on BASIS): AIDEA: WORKFORCE HOUSING DEV.; MUNI TAX

What action do you recommend the Governor take?

Select one.

☐ SIGN ☐ VETO ☒ LWOS

Action Justification – Why do you recommend the above action?

Please be specific.

The bill does not grant AIDEA any authorities or powers it does not already possess under existing statute. As a result, the legislation would have no material impact on AIDEA's operations, projects, or statutory mandate. The property tax exemption provision in the bill is set to sunset November 2027. If this bill were not to become law, the 35th Alaska Legislature could pursue the repeal.

What does this Bill do?

In addition to providing a succinct bill summary, please also consider the following: Why is this bill needed? How does it specifically change department programs? What is the anticipated impact on the public, the private sector? Does this bill align with the priorities of Governor Dunleavy?

HB 184 adds workforce housing to AIDEA's purpose, clarifies that AIDEA can finance workforce housing projects, and defines those projects to include three or more dwelling units. The bill further repeals secs. 2 and 26, ch. 64, SLA 2018, eliminating the sunset date on property taxes on leases of certain AIDEA assets (Ketchikan shipyard, Red Dog).
