

State of Alaska – Office of the Governor — 34th Alaska State Legislature – Second Session  
DEPARTMENT REVIEW – PASSED LEGISLATION

**BLUE SHEET**

Blue Sheets are a department's final bill analysis and provides the Commissioner an opportunity to weigh in on legislation that has passed, with a recommendation to the Governor on action that may be taken– to enact the bill, to veto the bill, or to allow the bill to become Law without signature (LWOS). Much of the information requested in the Blue Sheet can be taken from the department's bill analysis (BA), which were initially submitted at the time the bill was introduced and updated throughout the legislative process.

**Blue sheets are due to the GLO three days after the enrolled bill appears on basis, or sooner by request.**

**Department: DFG**

**Date: 5/18/2026**

**Bill Number: HB93**

**Short Title (as it appears on BASIS): RESIDENCY REQ: HUNTING, TRAPPING, FISHING**

**What action do you recommend the Governor take?**

*Select one.*

☐ SIGN      ☐ VETO      ☒ LWOS

**Action Justification – Why do you recommend the above action?**

HB 93 strengthens Alaska's residency requirements by clarifying that an individual must be physically present in the state during the residency period to qualify for resident hunting, trapping, and sport fishing licenses. The bill aligns residency standards with Permanent Fund Dividend eligibility, ensuring consistency across state programs. The department does not anticipate operational impacts, and the fiscal note is zero. Because the bill represents a policy choice rather than a programmatic change for DFG, allowing it to become law without signature is appropriate.

**What does this Bill do?**

*In addition to providing a succinct bill summary, please also consider the following: Why is this bill needed? How does it specifically change department programs? What is the anticipated impact on the public, the private sector? Does this bill align with the priorities of Governor Dunleavy?*

HB 93 updates residency requirements by requiring physical presence, domicile in Alaska, and an intent to remain, bringing licensing rules to align with PFD standards. The bill helps address long-standing concerns about individuals who spend significant time outside the state such as

seasonal residents or remote workers who previously may have qualified as residents based on mailing addresses rather than actual presence. By clarifying that eligibility depends on being physically present in Alaska or only absent from the state per PFD statutes, the legislation provides clearer and enforceable residency criteria. While these changes strengthen statutory definitions, they do not alter how the department currently operates or issues licenses.

**Detailed Sectional Analysis**

*The full sectional analysis of the bill should be completed by the lead agency. Other departments should include an analysis for sections of the bill affecting their agencies.*

- Section 1 amends AS 16.05.400 by adding a new subsection that requires a permanent identification card holder to meet the updated residency requirements in the bill.
- Section 2 amends AS 16.05.415(a) bringing up to date the requirements for an individual to qualify for a resident sport fishing, hunting, or trapping license. A new subsection, AS 16.05.415(a)(3), is added which stipulates an individual must be physically present at all times in Alaska during the 12 months preceding the application for a resident license, or if absent, only absent as allowed for someone who is eligible for a permanent fund dividend (AS 43.23.0008).
- Section 3 amends AS 16.05.415(e) specifying an alien must meet the same residency requirements in section 2 of the bill to qualify for a resident sport fishing, hunting or trapping license.
- Section 4 adds a new subsection to AS 16.05.415 directing the commissioner to adopt regulations under AS 44.62 for determining eligibility of a person to receive a resident sport fishing, hunting or trapping license. Section 5 establishes a delayed effective date of January 1, 2028, for the bill.
