BLUE SHEET

Blue Sheets are a department's final bill analysis and provides the Commissioner an opportunity to weigh in on legislation that has passed, with a recommendation to the Governor on action that may be taken– to enact the bill, to veto the bill, or to allow the bill to become Law without signature (LWOS). Much of the information requested in the Blue Sheet can be taken from the department's bill analyses (BA), which were initially submitted at the time the bill was introduced and updated throughout the legislative process.

Blue sheets are due to the GLO three days after the enrolled bill appears on basis, or sooner by request.

What action do you recommend the Governor take?

Select one.

☒ **SIGN** ☐ **VETO** ☐ **LWOS**

Action Justification – Why do you recommend the above action?

Please be specific.

The bill would provide clarity to both employers and employees regarding the rights and responsibilities associated with payroll card wage payments, a pay practice that is already common in Alaska and nationally and is expected to become increasingly prevalent as electronic wage payment methods continue to expand. The bill also establishes statutory protections for employees by requiring payroll card accounts to be federally insured by the Federal Deposit Insurance Corporation, the National Credit Union Administration, or another entity that insures bank deposits, where no explicit guarantee currently exists under Alaska law.

What does this Bill do?

In addition to providing a succinct bill summary, please also consider the following: Why is this bill needed? How does it specifically change department programs? What is the anticipated impact on the public, the private sector? Does this bill align with the priorities of Governor Dunleavy?

This bill amends Alaska's wage payment laws to allow employers to pay employees through a payroll card account when the employee has not chosen direct deposit or voluntarily agrees to the payroll card option. The bill establishes consumer protections for employees using payroll cards, including requiring at least one free withdrawal each pay period, free balance inquiries,
